## **Mastering English Communication Skills & Interviewing**

### **Overview:**

- This dynamic coaching & training is designed to enhance your English communication abilities, equipping you with the confidence and clarity to succeed in both personal and professional interactions. Through practical exercises, interactive activities, and real-world scenarios, you will develop essential skills in speaking, listening, writing, and cultural competence.
- When Interviewing, it is important to understand the dynamics and elements of communication necessary to “land the job”, as well as how to use the STAR Method.

### **Target Audience:**

- Professionals seeking to improve workplace communication
- Students preparing for international studies
- Individuals aiming to build fluency and confidence in English
- Professionals and Graduates who need to prepare for job interviews

# Program Features:

## Key Learning Objectives:

- 1. Speak with Confidence:**  
Develop conversational fluency, refine pronunciation, and learn techniques to present ideas clearly and persuasively.
- 2. Active Listening Skills:**  
Master the art of listening to understand, respond appropriately, and build rapport in conversations.

Improve your ability to write clear and professional emails, reports, and other business documents.
- 4. Cross-Cultural Communication:**  
Learn how to navigate cultural differences, avoid misunderstandings, and adapt your communication style to global audiences.
- 5. Presentation Techniques:**  
Gain skills in organizing, delivering, and engaging audiences with impactful presentations.

## Format:

- **Duration:** Tailored to your needs
- **Mode:** Online/Hybrid/Onsite (flexible based on student needs)
- **Features:**
  - Individual or Group discussions and role-playing
  - Feedback and coaching from experienced instructors
  - Access to online resources and practice materials

WE WERE MADE TO COMMUNICATE

# Why have Communication and Interviewing Coaching?

WE WERE MADE TO COMMUNICATE

- Build practical communication skills you can apply immediately.
- Learn from real-world experience.
- Gain cultural insights to connect with people from diverse backgrounds.
- Prepare yourself for an important interview with confidence.
- Highlight your best skills by being able to communicate authentically.

By the end of this course, you will feel empowered to express yourself effectively and confidently in English, whether at work, in academic settings, or in daily life.
